If you know of others who served with the 306th and who do not appear in the current 306th Directory, please add their names and current/WWII hometowns or other addresses to the back of this sheet so that searches may be implemented to add them to our present 306th roster.

'92 Directory Is Coming (from page 1)

pounded by the explosion of FAX machines and other devices demanding many more phone numbers in metropolitan areas.

So, both of these essential services have been playing "upset the fruit basket," and it raises hob with everyone, especially mailers and list keepers.

New Directory Due

Our 1992 directory should come out in May, and we need your help!

The Postal Service has been good about sending us changed numbers, but we need more data from many of you.

We also need to have you check your listing in the 1990 directory and to let the editor know what you need changed.

If we don't hear from you we must assume that the data we have is correct as far as your directory entry is concerned.

Check the form below:

Name George W. Bachmann Jr. "Ruffhouse"

Address 1350 Weathervane Ln. #1D

City, State and Zip Code Alton, Ohio 44313-5140

Telephone #, with the correct area code 216-864-2596

Can you give us the four-number addition to your zip code? (Look on one of your utility bills for this, if you can't remember it).

On that street address, please designate whether it is St., Ave., Blvd., Road, etc. Rural routes AND box numbers need to be spelled out. In the alpha listing of the Directory, be sure your unit designation is correct. That's the one that counts. (If you were placed in the wrong listing under organizations, don't worry about it. We plan to get it right this time.)

Other data we will store away for possible later use:

Hi Russ: July 11, 1982

Read your book it sure covered alot of missions & its been so long that I can't remember any of the names except our crew. You missed our mission to Kullard, Germany which was in the Star & Stripes. Lt Paul H. Martin of Detroit pilot of the Fortress Petty Baby. I still have the Star & Stripes date Monday Oct 9, 1944. Its getting pretty brown now but I know that you can't cover all the missions, no hard feelings. We just found the rest of our crew.

All nine of our original crew are still alive so we are trying to get together this fall. At first we planned to go to England in Oct but that's about shot. Now we hope to find a spot where we can all meet for a week. Boy that's a job, but not as hard as your book was, to put together.

We'll hope to see you at one of our get togethers.

George W. Barkup,

Dear Russell:

James L. Dunn of Shamrock O.K. passed away Dec 15, 1994. I think he was a tail gunner. His crew was Ken Bowen, Ed Winslow, Charles Lamb, Jose Valdespino, Ed Weeter, WR Allen, Roy Jackson Well, and Y. B. Bodenheimer.

This was on a crew picture that was a copy. That's why I just can make out Roy and that's it.

Take care
George W. Bachmann
