Dear Bill:

Enclosed is my check for "Echoes" also a copy of a Certificate of Service awarded to me on retirement from the Air National Guard.

I noticed in the Directory of the 306th Historical Association, many individuals were listed by their military rank. I have always been very proud of my rank whether it be 2nd Lt. or Brig. Gen. So I hope you will in any future directories also list me by rank.

I guess why only real claim to fame with the 306th was that "Pappy" Bondner was Bombarded with my crew when we arrived at Tusley in July 1944
