Dear Ralph:

I can't imagine how I lost the print of your crew that you gave me at a reunion--was it Las Vegas?

I have searched my collection of materials several times and have never had a glimpse of. And I apologize for my lack of diligence in this whole matter.

Jasper Valenti sent me a crew picture, and when I sent it to be copied I also had a copy made for you, which I hope in some way may put me back in your good graces.

I also took the liberty of placing the crew members' names on the back for you.

Sincerely yours,
