Dear Bill,

I have tried for many years to make contact with someone from the 306th to find out if any group activities were going on. As luck would have it, I got Monty Montoya's number with the announcement of the Colorado Springs reunion from the last issue of the Afterburner in late September (too bad).

I would like very much to be placed on your mailing list and included with your activities. I was assigned to the 369th Sq. in January 1945 and stayed with it until I returned to the 21 in mid (June/July) 1946.

Monte sent me issues of the February and April 85 issues of the 306th Echoes which I thoroughly enjoyed. He indicated you might have a copy of the July issue I could get.

P.S.

Let me know who to make my check out to for the Echoes & organiz.

ADD: thanks
