Dear Ed:

Got your book orders today, and they are being shipped Tuesday. So, your two friends should receive them as well.

I also sent Popivchak our newcomer packet, as his name was not on the mailing list. Feeney had been sent one somewhat earlier. That ought to bring both of them up to speed.

A new issue of Echoes will be in the mail next week, so everyone will have some recent information and updates on the Washington reunion.

Don't know either of the Hills in Kalamazoo, but I may give them a ring and tell them that Danaher said they'd better sell hard.

I suppose Western Michigan University, for whom I work, may be a customer of theirs. I don't know what they use to finish the basketball floor in the field house. Or the dance studio floors in our new \$16,000,000 fine arts building.

All the best, and I look forward to meeting you in Washington.
