

15 July 86.

Dear Russ.

I guess you are always the one to write to, whenever you have problems. So I've heard. Ha!

I was talking to Warren Wilson of Post Sullow, Ar. He was my Engineer in J3-17's with the 306th, and he said to write to you and you could help me.

It seems that I have lost my copy of the 306th Echo's that give the info on the reunion to be held in Dayton in Sept. Could you find a copy and send to me at the above address?

I hope to come back for the reunion and need the info for registry and reservation request. I don't think my wife will come this year. She hasn't been feeling too well and it will be a long trip.

I hope there will be a student hotel close to the convention. I will be a little short on funds this year. My son had a bad car accident in May and I have been helping him out. Anyway I try to make it.

If you could please send  
a copy of the Echoes or the  
registration info I would appreciate  
it very much.

Sincerely,  
Alan P. Weck. 368<sup>th</sup> St
