

Dear Mr. Strong -

I can only suggest that Mark's intent was to memorialize the 306 th.

at the time of his death in 1983 I was not aware of his specific donation, but I have thought many times of how great it was that he had a chance to reunite with the 306 th well before his illness.

This meant a great deal to Mark and therefore I believe that his donation should be devoted to the Memorial now in place at Thurligh.

Would you kindly advise Bert Leslsmutter that this is my request? Bert has

been in touch with me and
I am sure he will realize
that this is the most appropriate
choice.

Thank you for your
attention to this request.

Sincerely,

Kathryn Donahue
