Dear Russ,

In the January edition of Echoes
"Mysteries abound In Roster of Flying Officers"
Ray W. Garrett Jr. Spelling should
be Ray W. Gannett Jr. - I was
a bombardier with Robert A.
Vidale crew who was killed in
a crash on the Isle of Man -
not having a crew I flew with
any body who was short a bombardier.
hope this helps -

I have been receiving Echoes
for some time and it is the
proper spelling and address -
The paper is just great and I
look forward to receiving each copy

Sincerely
Ray W. Gannett
