Dear Mr. Jones,

Kindly, he advised that my  
husband, Edward Golden passed  
away Feb 26, 1992

Enclosed please find the check  
as a gift to the 306 Pk. Ave.

He enjoyed so much  
receiving the newsletters about  
the activities of the group. Although  
we never had a chance to join  
the group at the annual convention,  
we managed to visit the field  
in England where the group  
was stationed during the war.

For a couple of hours he  
was twenty years old again.

All the memories of the years  
spent there came back to him and  
it was a very enjoyable visit.

I'm very sure that when

Yours

the group meets, it's a very  
rewarding experience.

Thank you.

Yours truly,  
Eva Golden
