Dear Mr. Strong,

I believe the latest issue of "306th Echoes" indicated that the next issue would be the last in which crew photos would be published.

Fortunately, I found the enclosed photo after a thorough search. This is the <sup>including ground crew</sup> crew with which I trained in the States. I believe the photo was taken at Grand Island, NE. Probably

all of us ended up in the 8th AF.

In our 1994 Directory, I found only 4 names: PETER SZYMANSKI, AUBREY E. JONES, JOSEPH D. (NOW J. DOUGLAS IN DIRECTORY) PUSKAR, ALVIE H. (NICK) MYERS. I met Nick Myers in POW Camp.

I hope this makes the deadline for publication.

Sincerely yours,

Bernard L. Grossman

P.S. Photo does not have to be returned.
