Gentleman :

I just received my April 1989 Issue, Vol 14, # 2 Echoes of the 306 Bomb Groupe of which I am a member. I read about Calvin Brend's article on POW's Fight Lonely Battles For Survival. I thought it was a very good article. I was the right waist gunner on Lt. J.P. Toombs crew, that Calvin spoke of.

I would appreciate you sending me six copies of this issue. I am inclosing my check for the expense. \$ 5.00 Postage.

Thank you very much and good health to all.

I see you in Little Rock, just across the river a few miles from Greenville, MS.

Sincerely,

William V. Harris

Dear Russell :

I am again asking for an other favor of you.

As you may know now, I am William V. Harris, Calvin Brend's friend and crew member on our B-17 that was shot down over Germany.

My picture with John Foley is in the July issue Vol. 14, No 3.

I would appreciate you mailing to me about six copies of this July issue. When my book comes out, I will send you a copy. I will be in Charlotte sometimes in September. I will also make the 306 Convention in Little Rock, Ark in September. Hope to meet you there.

I am inclosing my check for five dollars. If that is not enough let me know.

Thank you Russell Strong.

Sincerely,

Dear Sir,

I'm writing 306th Echoes, because my husband passed away Jan. 30, 1997. He always liked reading it and we always looked forward to receiving it. Can I still continue to receive it? and if so how much is it? I would like very much to continue getting it.

In April 1989, Vol. 14, No. 2

you had a story "En Route to Stalag Luft IV" by Calvin Brend. He was a very close and dear friend. There were only three survivors on their crew.

Please let me know if I can continue to receive the 306th. I will appreciate it so much.

Thank you.

Sincerely
