Thank you so much for the
news letter you sent to me.

I cannot make the reunion this
year but am enclosing check
for annual dues.

I hope to make next years
gathering.

On the back page of the
newsletter you forwarded was
an article by Al Bowley. I
remember the day he went
down, it was my second
mission. On my first the previous
day I returned home on the
brigade I tried to console Al's
wife but she was ^{incom-}solable.

Thank you again and
hope to see you next
year.

Sincerely,

Warren A. Gray

P.S. You will note a
slight difference in my
name from your records.

My name as presently
used was changed on Air
Force Reserve Orders No. 208,
25 Sept 1950.
