Dear Madam:

I am seeking biographical information on the late Harry Hill, whom I believe had a long identification with your organization.

I have found in my collection of materials concerning the 306th, that at some time in the past Hill wrote an appreciation of the bomb group and of his role as a combat pilot for our 423rd Squadron.

In addition to biographical data, I would ask also if you have any pictures of him that we could use in our newspapers, which discovered when you opened by envelope. As you can see, we use color extensively, so such pictures would have a special appeal to my readers as well.

A particular picture which I would like to find would be that of the combat crew which he lead across Europe.

In my pursuit of the later bit of history about him, perhaps you could direct me to children who might have pictures I would be looking for.

Let me thank you in advance for your trouble, and I will very much appreciate hearing from you.

Sincerely yours,
