

12.5-04

Dear MR. Hopkins

Roger M. Hodson, my husband,
died August 19, 2004 after a very
long illness with Parkinson's disease.
In his last years, he was unable
to write, talk or see too well.

He was in 306th bomb GP H
33633119.
Stationed in England World War II.

He spoke often of his
group. He is buried in
Riverside Memorial Cemetery,
California.

He has 4 children, 13 grand
children, + 2 great grand children

I apologize for this large print, but I am legally blind.

Thank you for sending the newspaper. It was special to him.

Sincerely,
Patricie Hodson

Please forward his death notice to the newspaper.
