Dear Mr. Strong;

This is in answer to the telephone conversation I had with you on Feb. 9th regarding the 306th Bomb Group.

The literature came in the mail a few days later. I read through the booklet and papers enclosed and was impressed. However, after much consideration and at this 'point in time' (50 years), I do not wish to become a member of the association.

The 306th Bomb Group and 367th Squadron will always be in my memories, and I feel a great deal of pride to have served my country and be associated with a great bunch of crew members.

Thank you
Sincerely yours
Bernard E. Humiston
