Dear Russel,

Many thanks for the fast response to my request. I'm enclosing three checks for, First over Ger. 369th Combat Diary, and one for the copy of the directory. I will send a check to Dale in a few days as a contribution to the 306th BG Assoc.

I hope to complete my assignment here by April and return to NC, but who knows. I'll look you up on return.

A handwritten signature in cursive script that reads "Jim".
