Dear Sir:

Thank you for the Vol. 12, #4 edition of the Echoes. I found the article by Loy F. Peterson dealing with the 5 January raid on Kiel *extremely* interesting. It is the first news I have heard in more than 40 years which mentioned our pilot, Sid Wolfe, and his disappearance on that fateful date. The only men to escape alive that day were Al Enos (co-pilot) and myself (navigator).

Will you please send me Capt. Peterson's address so that I may write him. Thank you. Please note my change of address.

Sincerely,

A handwritten signature in blue ink that reads "F. H. Jewell". The signature is written in a cursive style with a large, sweeping initial "F" and a long horizontal line extending to the left.

Fremont H. Jewell
