Dear Russ Strong,

enclosed a few 8th Airforce men
& addresses I found.

I am a war bride & was in the Land
Army in Bedford & I knew a good few
of the guys, I also was one of the
first war brides in the Bedford area
& was one of the first brides to have
a wedding at the American Red Cross club
in London England.

I know you are not that interested in
the brides, but the reason for all this
is I do read your paper the Echoes from
beginning to end & enjoy it so much.
