Dear Russell,

First I want to congratulate you and your committee for organizing the 306th reunion in England. It was well done and the logistics were handled beautifully for so many. Rita and I thoroughly enjoyed it and also spent three more weeks on our own driving thru England + Scotland. Two others on our crew, Frank and Lathorn and their wives attended. Your January issue of Echoes was a "keeper" (color yet?)

I'm enclosing a picture of our crew (369th). We flew our 35 herself from Sept 11 '44 to Feb. 17 '45. Lathorn stayed on as head navigator and eventually retired as Colonel. We had twins on our crew, ~~some twins~~ Emil and Elmer Wilke from Chicago. Whether they were the only set of twins to fly together in the 8th I don't know. I understand that Elmer Wilke (received Purple Heart) and Joe Belker are now deceased.

I have placed names and positions of the crew on the back of the picture. If you need any other information, my number is (615) 821-1421.

Again, you should be proud of a great reunion.

Sincerely,
George
