Dear Mr. Strong,

My husband, Lee R. Laney just finished reading your book. It has been most enjoyable to him.

It brings back many memories. To his surprise as he was reading on page 182, he sees that he was never heard from again.

Happily, he is alive and well in Billings, Missouri. Lee R. landed 100 yds outside a German air force camp and was picked up by personnel from the camp.

He was captured on Dec. 20, 1943 and released May 3, 1945.

I thank you for writing such an interesting book.
