Dear Russ

Haul to thank you for the mission report. Sorry we didn't get to Seattle for the last get together, maybe next year. Know your always looking for old crew photo's Enclosed you'll find one of a crew I do not know. Only that they joined the 369<sup>th</sup> in early 1945. The top row third from the left is Bill Rollo his address at the time was 370 Potomac Ave Buffalo<sup>13</sup> New York. Phone Garfield 7438 We were friends. I checked him out as a toggle leas. Sorry I can't give you any more clues. Please return the photo when your done with it its all I have.

Also had a letter from Don Clementson's notify me that Allen Babin had passed away May 15<sup>th</sup>. I didn't hear of it until June. Am sure Don must have notified the outfit. I've been watching the abid but haven't seen it.

Hope this finds you and your in the best of health our best Christmas wishes and a happy New Year.

over

a Always  
Bill McKelop
