" WE PROMISED"

We promised eternal loyalty

We promised to do the thing we came here for

We promised never to let anything let us forget

We promised each to the other what is mine is yours

We promised always to remember--you are always there

We promised to remember that where ever you are we are there to

We promised to remember to trust in each other

We promised each to the other to make a better world for JIMMIE AND
Joan and Jack and Betty

We promised to believe in each other and to know that each believes
in God

And I who named this ship believe you all will return each to the
other-- because you said "WE PROMISED"

*Our B-17 "We Promised" was
christened by an officers wife.*

This is her poem.

I forget the officer and lady involved.
