Dear Russ,

Please forward this check to the proper person. Sorry but I lost the envelope that was mentioned in your letter.

Since my name was printed in the recent publication of "Chow" my former navigator Raymond Allen from San Francisco has learned that I am still alive.

He thought I was killed when I bailed out over Berlin Sept. 12 '44.

We talked last week for 1:45 - had a ball.

Again Thanks
Leland Montague
