Dear Sir:

Enclosed is a picture of the
Winston W. Wood Crew, 306 Bomb Group.
423rd Sq.

Standing:

Winston Wood	-	Pilot
Clifford Payton	-	Co-Pilot
David Howe	-	Navigator
Hollis Baker	-	Bombardier

Front row:

Clifford Wolfhose	-	Waist gunner
Eugene Hovey	-	Engineer
Jack Neely	-	Ball Turret gunner
? Hopkins	-	Waist gunner
Donald Bloedel	-	Tail gunner
John Garrett	-	Radio man

I am sorry, we can not
remember Hopkins first name, but
Jack said he left the crew very
shortly after they arrived in England,
so we didn't keep in touch with him
as we have the others.

We enjoy the Echoes so
much.

Thank you,
Jack and Betty Neely
