

Notes Larry I was Jan 31, '95  
not able  
to find the picture you were  
interested in.

Fred had esophageal cancer  
and died this past June. He,  
Bob Schmielau, Larry Chintofori, &  
John Hazy had been in touch  
the past few years. Had tried  
to get together. They're aware of  
Fred's death.
