Brav Russell -

Your letter arrived a few days back and right on its heels was another from Ray Summa who is the Unit Contact for the 34th Bomb Group.

I am thrilled to be in touch once again after all these years and my thanks to you for your prompt and efficient correspondence. Best of all, I have been provided with the names and addresses of five of our crew members so I have lots of catching up to do.

We enjoyed our stay in Edinburgh and are glad that we allotted three days there. I can remember so vividly how timid we were to take over half of your table at dinner that night, but now am so pleased that we did.

Once again, thank you for your help.

Best regards  
D.L.

Dear Mother

I am so glad to hear from you and to hear that you are all well. I hope you are enjoying the summer weather. I am still in the hospital but I feel much better.
