Dear Mr. Strong,  
Having learned for the first time of the  
existence of 306<sup>th</sup> Echoes, while attending  
Boeing's big blowout in Seattle in  
July, I am most interested in being put  
on your mailing list.  
I was a ball turret gunner in the 423<sup>rd</sup>  
squadron from April '45 to June of '46.  
I also was a cameraman in the Casey  
Jones project and found the item in  
your July issue (which I borrowed)  
quite a surprise.

P.S. Please accept my contribution encl. and  
send my copies of Echoes to 13765 S.W. Parkway
