

Good Morning Mr. Strong,

I found it very interesting to speak with you yesterday, and I want to thank you for the information that you were able to give me on my dad. For the past several years I have been trying to put together his WWII (or as he calls it "The Big One") history. I am sending along to you both his address, and mine in hopes that you will put us on your mailing list for the newspaper that you told me about.

As my funds are somewhat limited, I am only able to send you enough for 2 of the Diaries you told me about at 17.00 dollars each. I am sure that by Christmas I have the funds to be able to buy 2 copies of your other book, First over Germany. I am going to need to have a copy of it in my library, and a gift to my dad for his library. Again thank you for your time and help, I look forward to getting the 2 diaries, one I will give to my dad, and one I will keep for myself.

Have a very pleasant day, and may God Bless

Sincerely,

George Sarver III
