Dear Russell A. Strong:

It was with great pleasure, that while reading the January issue of the ECHOES, I found a picture of my old crew on the back page. Our pilot was Lt. John Winward. I trained with this crew and went overseas with them and we were assigned to the 423rd Squadron. I flew three missions (Hamburg, Berlin and St. Lo) with them and left the crew to become a lead radio op for the Squadron. Our first wakeup call was as a stand by on D Day. I hope that the crew have been well and best regards to them. Bye the way our A/C was called the SOLID SENDER.

GOD Bless and keep up the good work.

Yours truly,

N. Walter Schnurman
