Russell A. Strong.

Dear Sir;

My husband, Charles T. Schroeder passed away; March 1, 91; after a 10 month battle with Pancretic cancer.

The reason I'm writing is because Charles loaned his book "First Over Germany" to his great nephew. (who is a Pilot) He flew troops, and supplies to Saudi Arabia, and the book has never been returned.

So I would like to purchase, another book, to pass on to our son, and grand-son. So I am inclosing my check in amount of \$33.⁰⁰ - if the price has gone up - Please advise me.

Thank You
