Re: 306th Bomb Group, Reunion: Sept. 21..24, 1989

Mr. Hugh Phelan

Dear Sir:

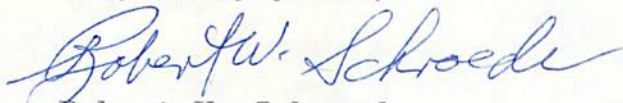

I have learned that there is a scheduled reunion of the 306th Bomb Group in Little Rock, Arkansas in September. Can you fill me in on the details and confirm this activity?

I served in this group, at Thurleigh, England. I was a combat pilot serving in the 368th Squadron. I have never attended one of these functions and I am considering making the effort to celebrate this one.

I, also, am aware that the 8th Air Force is to have a reunion in Denver this October. However, I'm afraid that the magnitude of the whole Air Force will be a bit overwhelming.

I enclose a self-addressed envelope for your use in responding to me.

Very truly yours,

Robert W. Schroeder
