I kept a brief diary while with the
8TH in England, recording impressions
of each mission -- not much detail
and not naming every crew member --
hope this information is helpful
to your records.

A handwritten signature in black ink that reads "Douglas Snow". The signature is written in a cursive style with a long horizontal line extending to the left of the first letter.

To: 306th BG Association

I am enclosing my check
for \$27⁰⁰ - \$17⁰⁰ for one
copy of the 423rd Combat
Diary and \$10⁰⁰ to support
the Association. The 306th
Echoes is excellent and I
look forward to each
issue.

I am also enclosing
a picture of our crew
that was at Thurligh

from April thru October 1944.

Our navigator is not in the picture because he became a lead navigator. He is V. LAMAR ^{Gudger} Gudger from North Carolina.

Please return the picture to me when you are through with it. Thanks.

Sincerely,

Douglas A. Snow
