Dear Mr. ~~Strong~~ <sup>Strong</sup>;

I am enclosing a photo album that Jack had with pictures I think apply to the 367<sup>th</sup> bomb group he was in. Also a book in very bad condition because of a flood we had a few years ago. Am sending the album with the pictures because the writing with them may be of some help to you. Since Jack was the last of his family that I know of and we had no children to leave them too you can keep all of the certificates and pictures or return what you don't want. Sorry I can't be of more help to you but sincerely hope there is something in the package you can use.

Sincerely,

Mrs. Jack (Bertha) Vandener
