Dear Russ,

Enclosed is a letter to former members of the 449th Sub Depot that was attached to the 306th in England, and also a list of the only names I have.

The recent Echoes had a list of M/Sgt, a few who were in the 449th. It appears their addresses are unknown.

Would appreciate your help in locating the M/Sgt or other members of the 449th.

Looking forward to the Convention & thanks for all you have done in keeping us informed through the Echoes.

Sincerely

Robert Vaughn

To Former 449th Members:

As you know, the 306th Bomb Group Association is holding their annual convention in Las Vegas from the 30th of October to the 3rd of November 1988.

This sounds like a great opportunity for some of the 449th Group to get together and talk about old times.

If we can get enough of our 449th people together, perhaps we could have our own hospitality room and even a group picture.

Please let me know if you plan to attend, or if I can give you any more information about the reunion plans. I'd sure like to hear from you, one way or another.

Bring any old 449 photos you might have.

Looking forward to seeing you in Las Vegas in October.

Sincerely,

*Bob Vaughn*

P. S. I'm attaching a list of all the guys who will receive this letter. Wouldn't it be great to see them again?

Bob
