

Major Thomas F. Witt, acting air inspector at Kelly Field, places colorful AFA decal on windshield of his automobile. Decalcomanias were recently distributed to members through squadrons.

AIR FORCE

... in spacious Fairchild Packets, ... Pointers had ...
to stow baggage, parachutes and themselves. The C-82 is cap-
of transporting 42 fighting men and all their equipment.

6. **Back to work**, cadets don "under arms" uniform to load baggage in Packet. In all, six bases were visited. Cadets learned much of the capabilities as well as the limitations of military air power.
