from falls are usually serious and many times fatal.

SUGGESTION BOX:

SUGGESTION: "Why can't the Suggestion Box print all suggestions turned in  
and answer them impartially? Is it that there is too much brass controlling  
the answers to the Officers' advantage?"

SUGGESTION: "Recommend that Suggestion Box start giving out with some real  
answers that might be logical. The answers usually given (with rare exceptions)  
brown you off more than you were before entering the suggestion. The answer to  
the motor pool question (25th July) is .... poor. Seems like the only ones you  
answer are those that can be covered with an excuse or apology."

ANSWER: S.B. makes a real attempt to give logical, courteous and reasonable  
answers to all suggestions turned in. However, some persons do not turn in  
suggestions that will work for the benefit of the Station as a whole but use  
the Suggestion Box to air personal grievances and as a method of personally  
abusing individuals whom they may dislike.

It is the policy of S.B. to publish every suggestion (or bitch) placed  
in a box. To do this it is necessary to delete personal reference and  
criticism of individuals. In each case the full suggestion is brought to the  
attention of the person concerned even though it is not published in full.
