SUGGESTION BOX:

SUGGESTION: "We would like to put in a gripe about the dry cleaning of our blankets. The most of us were in the army 1 year to 16 months before we came overseas and have been here 21 months to 3 years. We have never had sheets so we have to use 1 blanket to sleep on. How you can imagine how dirty those blankets are. We can hardly stand to sleep in them. We would greatly appreciate it if you could do something about this. We remain sincerely yours!"
REMARK: Arrangements have been made with the Station to draw additional blankets for issue to men while their own blankets are being cleaned. Notice will appear on the Squadron Bulletin Board telling when you should turn in your dirty blankets.
