Today, 1 May 45 - "WOMEN LIVING", Ray Milland, Joan Arthur.  
Tomorrow, 2 May 45 - "WHISKLING IN DENNIS", Red Skelton, Ann Rutherford;
- SAFETY EIGHT  
Less accidents mean more man hours to work against the enemy.

SUGGESTION BOX

Suggestion: "Mix powdered milk right and in right proportions. When done so it's good. Otherwise which is most of the time - phooey!"

Answer: Powdered milk is mixed by experienced mess personnel in the exact proportions given in the instructions supplied by the manufacturer. Any improvements over this method of mixing would be appreciated by the mess officer and mess personnel. Can you give a constructive criticism on this point?
