### SUGGESTION FOR:

SUGGESTION: Suggest that Station Regulation 130-1, dt 22 Mar 45 is liberalized

1. An AI may ride an Officer's Liberty run truck if it does not inconvenience an Officer and an Officer may ride an AI liberty-run truck if it does not inconvenience an AI.

2. LET...US...BE...MORE...TOLERANT, LIFE CAN (REALLY) BE BETTERING PLACENT."

Always: Who is going to decide who is inconvenienced?

Before this policy was put in effect, several incidents of a highly undesirable nature occurred. Unless there is a shortage of Liberty Run transportation a change would obviously be undesirable.
