THE SPORTSLITE

**THURLEIGH GRIDDLERS TRUMP
HARRINGTON 25-0, BELLLEN
POINTS 100-15**

Sparked by the brilliant broken field running and passing of McWellen the Thurleigh Gremlins crushed the Harrington eleven 25 to 0 before an enthusiastic mixed crowd of GIs and civilians at the Goldington Rd Rugby Grounds in Bedford.

In the closing minutes of the first period McWellen returned a Harrington punt galloping 60 yds for the first Thurleigh tally. Scoring for the first half ended when McWellen tossed a touchdown pass to end Visconti. Both attempts at conversion failed.

The Gremlins moved toward pay dirt early in the third quarter by a series of short runs climaxed by Sellen's romp through the Harrington team with the aid of some beautiful blocking for 5 yds and a third touchdown. Thurleigh's last touchdown was tallied on another Sellen pass, this time to St. Bowers. Sellen potted the extra point.

USEFUL COURSES

Correspondence courses through the U. S. Armed Forces Institute are available to officers and E1. A great variety of courses is offered. Many of these courses may be taken for college credit. This is a grand opportunity to continue your education while in the service. For catalogue and full particulars contact the Special Service Office.

WAR BONDS

War Bonds may be purchased through the Special Service Office or the Post Exchange.

BASKETBALL GAME
