714-A - F/Lt. Flemming - 0252 hrs.

All 7c dispersed on R/W 30 - Linton informed
0647 G.H. 7c #434. Toy call 2 landed. (at last)

7c dispersed in 34

0855 Off duty at home St. Nazareth on duty

0900 Called St. Linton on crest. The

request of
A/C Evans
informed us that the station did not
want them to depart because of
bad weather conditions. Division
informed us that 6 Gp want the A/C
to return as soon as possible.
Recalled Linton, of 6 Gp says we
are to return scramble same. The
crews are on the line and A/C are
being serviced.

1050 Linton is to be called on T/O.

1145 Div. informs that 7c meet

be airborne by 1210 hrs. or remain on

1225 Off duty at home St. Nazareth

1247 Some snow on ground. From air to com-
pletely clear of snow. Visibility not so fair

1355 Call on 7c down 4c.

1470 Lt. B. Div. informs us that A/C will not
be able to fly until 1400 as tomorrow. Plan
was taken to get Linton to be serviced.

1800 Lt. B. Div. advised of such nature
of fuel. was too low to see really of
working up.

Called Linton, from 7c both
Linton & Linton, both in good
of fuel from line station.

1825 Lt. B. Div. advised we see one more per
on the way between us and south west
of Linton. (both are not in contact
with us on same frequency as any other

00 Off duty at home St. Nazareth.

1840 No report from Linton yet.

1900 Obstruction lights seen on 13 & 37
with the Ditch. The Ditch bet 20 and

schedule.

- 7000 eye returns from Scouting mission nothing found - reported this to Division
- 2130 Stood Down. Passed this information on to Snow Removal Detail & Lt. McDonnell
- 2200 Operator (GPO) called re request of information by N.F.S. if we had report of A/C crash and fire.
