HEADQUARTERS SECOND AIR FORCE
Office of the Commanding General
Fort George Wright, Washington

330.3

May 24, 1942

Subject: Roster of Officers.

To: See distribution.

1. In compliance with Memorandum 5-1, this headquarters, dated March 8, 1942, as amended by Memorandum 5-1 A, this headquarters, dated March 21, 1942, station commanders will submit on the first and fifteenth day of each month complete rosters of the officers at their respective stations, showing name, present rank, date of rank, ASN, marital status, branch of the service, component of the service, age, organization, duty assignment, and officers' status report classification.

2. The Branch of the service will be that with which the officer is serving, e.g., AC, Ord, Eng, QMC, etc.

3. Component of the service will be that in which the officer is commissioned; e.g., Regular Army (RA), Officer Reserve Corps (OR), National Guard (NG), or Army of the United States (AUS). In the case of a branch immaterial officer, it will show the branch and component in which commissioned, e.g., Inf Res, FARRes, or FA NG.

4. The date of rank will be that of the present rank held; it will include the component of the service in which this last rank is held, e.g., an officer may be a 1st Lieutenant, AC (RA), Captain, AUS, and Major, AUS (AC). In this case his date of rank will be that of his Majority, as 3-1-42 AUS (AC). In any case, it will be one of the following: Regular Army, National Guard, Officers' Reserve Corps, Army of the United States, of Army of the United States (Air Corps).

5. Officers' Status Report classification will be made on all Air Corps Officers and will conform to the following as reported to this headquarters each 10 days:

Pilot, over 3 years' experience	P 3 (No. of engine ship)
Pilot, between 2 and 3 years' experience	P 2 (No. of engine ship)
Pilot, between 1 and 2 years' experience	P 1 (No. of engine ship)
Pilot, under 1 year experience (trainees)	P T (No. of engine ship)
Pilot, Non-flying	PNF
Navigator	Nav
Bombardier	Bomb

Engineering Officer	Engr
Communications Officer	Comm
Armament Officer	Arm
Bombsight Maintenance Officer	BSM
Photographic Officer	Photo
Weather Officer	Wx
Observer	Obs
Administrative Officer	Adm

If the officer is a flying pilot, the number of engine ship he is qualified to pilot will be included in addition to his other classification under the status report, e.g., P 3 (4-engine). If officer is a Command pilot, it will be shown by (CP). An officer listed as administrative will also be listed to show the type of administrative work he is doing, as e.g.
